

Commercial Distributing Co., Inc.

Distributor of Beers, Wines and Juices *since 1935*

March 19, 2020

To our valued customer:

During this unprecedented time, Commercial Distributing Company will be making some changes to ensure the safety of our fellow co-workers and customers. We want to limit our employee's exposure to the public in order to ensure we can continue operating in these ever-evolving times. The following steps will be taken to ensure safety of our employees and customers.

Effective March 20, 2020 (until further notice)

Drivers and Helpers are to drop off your delivery at the receiving area (inside the account). Delivery personnel should not be bringing deliveries of product into aisles, coolers and/or basements until further notice.

Salespeople and Merchandisers will not be visiting any retail accounts until further notice. Your salesperson will be contacting you remotely for your product needs.

Thank you in advance for your understanding and we at Commercial appreciate your cooperation through these challenging times.

Sincerely,

Mark Placek
President
